Start 'Em UP Business Program Introduction

The Start 'Em Up Business Program is a curriculum that gives students an introduction to business. There are eight classes that last 1 hour each. Students will learn basic business concepts through playing fun business games, starting a real business, and making money.

Included in this program is a DVD, leader's packet, games, and handouts for the students to work through. The DVD included in this program is a visual for The Start 'Em Up Business curriculum. The leader's packet and handouts will guide instructors through eight fun business lesson plans.

The students featured in the DVD took The Start 'Em Up Business Class and started a t-shirt and decorative card business. The young entrepreneurs made \$326 in gross sales in two days!

Encourage your students to become young business owners through Start 'Em Business!
