

Using Start 'Em UP Business Program

The Start 'Em Up Business Program includes a video, leader's packet, games, and handouts for the students to work through.

Video

The Video is used as a 15-minute visual for the Start Em' Up Business Curriculum. It guides instructors through the whole program. Instructors will get a brief caption of the classroom structure.

Leader's Notes

The Leader's notes are the instructor's written guide. It tells the instructor what to say in each class, how to structure the classroom, when to use the handouts, and directions for each activity.

Handouts

The Handouts include worksheets for students, directions for games and interactive activities in the curriculum, and sample worksheets. The leader's note will direct instructors on when to use the handouts.

Teaching the Start 'Em Up Business Program

All instructors should show enthusiasm during classes. All classes are filled with fun interactive game and activities! This curriculum uses real business examples to assist in teaching entrepreneurship! Don't be afraid to think outside the box when teaching the class.

Have fun on your road to youth entrepreneurship!!!!
